
I'm Not Finished With Me Yet"

*When you take a look at me
If you don't like what you see
Just remember in my ways I am not set.
And if you don't think that I'm
Always perfect all the time
There's no need for you to really get upset.
For I'm changing every day
In the things I do and say
And my attitude and thinking better get.
So please be merciful and kind
And keep one thing in mind
Just one truth: I'm not finished with me yet.*

*When I take a look at you
And I don't like what you do
I'll remember in your ways you're not set.
And if I don't understand
Every little thing you've planned
It may not be my business
So why should I get upset?
For you're changing every day
In the things you do and say
And your attitude, like mine, I hope will better get.
So I'll be merciful and I'll be kind
And I'll keep one thing in mind
Just one truth: You're not finished with you yet.*
