

NUTCRACKER INFORMATION PACKET

Kantorei Choir

REVISED 11/09/15

This packet contains important information regarding the upcoming Nutcracker production involving the Kantorei choir. Please read this information carefully with your parents and note your choir assignment (Mouse or Soldier) as well as your rehearsal and performance schedules.

There may be slight adjustments in the call times as the Butler dance department finalizes their schedule, and in that case you will be notified as soon as possible.

You will receive a voucher good for one ticket to a Nutcracker performance. **These vouchers must be redeemed at the Clowes Hall box office PRIOR to the show you wish to attend.** *Please take special notice of the following paragraph regarding tickets.*

Kantorei's chorus takes place in the 1st half of the production. Please remember that if a singer is staying for the second half, **they must have a ticket** even if they participated in the 1st half. Singers will be released at the beginning of the intermission in the west lobby area by the stage door. At that time, **singers with tickets** may join their adult for the 2nd half of the performance, or they may go home. Singers are **not** dismissed to attend the performance without adult supervision. **Singers are only released to an adult.**

Remember: YOU ARE RESPONSIBLE for getting a replacement from the other ensemble if you are ill or have a school performance. Your substitute must sing the same voice part as you. **All substitute requests must be confirmed in writing with Mrs. Dwyer.**

If you have questions, please feel free to call Brian Oakley in the ICC office at 317.940.8073.

Thank you.

REVISED – 11/09/15

Attached are the assignments for the Nutcracker performances. If you have conflicts with the performances you are assigned to sing, it is **your responsibility** to find a singer who sings your same part from the other choir to take your place. This change must be in writing, signed by Mrs. Dwyer and turned in to Brian Oakley at the ICC office.
