Re: My Participation in ICC

The success of the Indianapolis Children's Choir and the Indianapolis Youth Chorale has been dependent, in large part, upon the support of music teachers in the Central Indiana region. It is **mandatory** for every ICC and IYC singer to be an active participant in his or her school choir if one is available. The only exceptions are when the student must choose between instrumental and vocal music or when a scheduling conflict prevents the student from participating in the choral program.

The singer has been asked to give you this letter and the attached form. Please take a moment to complete the form and return it to the ICC member or the ICC office by **October 15, 2016**. Should you have any questions regarding this policy, please do not hesitate to contact the ICC office at 940-9640.

Once again we thank you for sharing your most talented musicians with us and wish you continued success in your choral program.

Sincerely,

The Directors of the Indianapolis Children's Choir
