To the Parent/Guardian of _____

Your child has proven to be well mannered in my classroom and has exhibited a love of music. They sing well and have an enthusiasm for the arts.

I highly recommend your child to audition and participate in Indianapolis Children's Choir. You do not need to prepare anything in advance for your audition.

Please call the ICC office (317-940-9640) for more information and to schedule an audition.

Respectfully,
