WELCOME!

Greetings friends,

It is my honor to welcome you to the Indianapolis Children's Choir's greatest tradition – our **Gloria** holiday concerts! As you take in the sounds of your favorite holiday carols, like *Silent Night*, *Lights of Hanukkah*, or *It's Beginning to Look a Lot Like Christmas*, I want you to consider the beauty and wonder of the holiday season.

For so many, this is the busiest time of the year, and while it can be difficult to get through the hustle and bustle of the holiday season, it is my hope that our **Gloria** performances – Angels Sing, Celebrate the Season, and Sounds of the Season – will give you a moment to sit back, relax, and listen as our choirs share stories of joy.

Whether it's the type of joy that lasts for days and comes with careful planning or joy that arrives out of nowhere and fades within minutes, finding moments of splendor and happiness make the holiday season so magical and I am thrilled that the ICC can share in these celebrations with each of you.

On behalf of the entire ICC family, thank you for joining us for this joyful tradition to celebrate the wonders of the season. We wish each of you a happy holiday and prosperous new year.

Sincerely,

Joshua Pedde
Artistic Director

Support Our Singers & The Impact of Music

We are grateful to all of our supporters who help us to build a stronger community by giving a voice to children as they share their artistry and make central Indiana a better place.

The ICC was founded on the belief that all children have the potential to create incredible artistry. The ICC provides unique opportunities for excellence to be identified and cultivated. Singers come together in a safe and welcoming environment to learn about themselves and discover the world around them. Singers in the ICC become lifelong friends as they share the powerful experience of creating artistic excellence.

The ICC serves approximately 2,500 children and youth each year throughout central Indiana with choral ensembles and music education programs that change their lives in ways that extend beyond the Concert Season performances we all enjoy. Singers in the ICC increase their academic skills, deepen social awareness, and gain leadership skills while developing a love for music that will last a lifetime. Along the way, they learn to work as a team, discover the value of discipline, and find a place to belong that many of them call home.

These experiences and programs are possible because of the generous and sustained support of those who believe in the ICC's vision of enriching the lives of young people through the power of music. We know that lives are transformed when children are involved in high-quality music education. Your gift to the ICC enhances the choral experience for singers throughout central Indiana and gives each singer their own voice.

Your gift each year helps the ICC to serve the community through song. We are deeply grateful for your support!

The ICC brings singers together from across the community as they unite as one voice in song. We invite you to share our vision of a future where excellence in choral singing is valued and supported for all children in the community – bridging cultures, ethnicities, and economic backgrounds – a future where every singer finds their voice.

You can make your tax-deductible donation by visiting <https://icchoir.org/give/>. If you have questions or would like more information, please do not hesitate to call the ICC at 317-940-8072.

Thank you! We sincerely appreciate your commitment to enriching the lives of young people through artistic expression.

Supporting Artistic Excellence for Extraordinary Young People!

November 1, 2021 through November 30, 2022

It is our privilege to list below those who have generously contributed to the Indianapolis Children's Choir in the last year. These donors have shown exemplary leadership in their support for the arts and for the children of central Indiana. We are grateful for their contributions.

Individual Giving

Call the ICC Development Office at 317-940-8072

Individual donors are the lifeline for an arts organization. For most arts organizations, individual donors comprise a significant portion of their total contributed income. Consider joining the ranks of ICC individual donors today. Also, many businesses have matching gifts programs, which enable the employee to increase their initial gift to the designated organization through a match from their employer.

Welcome to Second Presbyterian Church

We are delighted to share this sacred space and time with our Indianapolis Children's Choir! Children form an integral part of our congregation. They are not just the future of this place; they are the present. We seek to treat them the way Jesus treated children, welcoming them as *children*, not only as adults in training. We honor their questions and encourage them to wonder. We create spaces where they can experience God, not just learn about God. We teach them about Christ's endless love, and we marvel as they teach us. Second Presbyterian is home to many families and individuals in Greater Indianapolis. If you are seeking a community of faith, we want you to know that you are welcome here. If you'd like to know more, please don't hesitate to show up on a Sunday morning. You can also visit us online at www.secondchurch.org. Wherever you are in life, we pray that the hope, peace, joy, and love of this season finds you and keeps you.
