OUR SCENTS

AUTUMN HARVEST

Our #1 Seller, this is a wonderful fragrance of buttery vanilla and pumpkin pie spices. Perfect for fall, but popular year round.

BLACK CURRANT TEA

A complex mix of currant, white tea, and enchanting floral overtones with notes of Bergamot, honey, jasmine, vanilla and cedarwood.

CARIBBEAN TEAKWOOD

Caribbean Teakwood is bold and complex – leading with a top note of leather, cedar, amber and musk. The middle is a spicy mixture of black tea and pepper. The base note is aged teakwood with tones of patchouli and sandalwood.

COCONUT LIME VERBENA

A strong citrus lime scent mixed with fresh cut verbena leaves and warmed with coconut, vanilla and musk undertones. Sometimes we refer to it as a “Margarita in a candle”!

GINGERBREAD HOUSE

A gingerbread house covered with vanilla frosting, cinnamon sticks, toasted graham crackers and juicy raisins. Top note of ginger with cinnamon and vanilla as well.

MACINTOSH APPLE

Powerful apple scent with notes of peel and crunchy sweet freshness. One sniff and you’ll be transported to Autumn crisp days.

SEASIDE LINEN

This scent is infused with notes of delicate jasmine and white cotton blossoms add a floral touch to this airy fragrance. Hints of violet and cedar round out the scent, while lemon essential oil enhances the clean, citrus element. Wrap yourself in the nostalgic aroma of clean sheets that were line-dried on a breezy day.

SUNFLOWER DREAM

This bright fragrance captures the sweet floral scent from the flower but also the atmosphere of the fields in August: herbal undertones for the ripening fields around and sunshine is in the mix as well.

VANILLA SUGAR COOKIE

One of our best sellers. Sweet sugary aroma of fresh baked sugar cookie.

WINTER HEARTH

A perennial Holiday Season favorite, we call it “Fire, Pine & Wine” as it is designed to evoke a warm evening by the fireplace garlanded with pine boughs, enjoying a glass of wine.

AMBER NOIR

WAX MELT SCENT

A sweet and sultry fusion of creamy vanilla and rich amber with undertones of sandalwood and musk. This unique fragrance has year round appeal.

MACKINAW LILAC

WAX MELT SCENT

We tested several fragrance oils to find the truest Lilac, and we think we found the best – the springtime scent that many enjoy all year with this classic scent.
