Anderson Area Children's Choir to Host Sweet Fundraiser

February 10, 2025

FOR IMMEDIATE RELEASE

ANDERSON, IN - - The Anderson Area Children's Choir (AACC) will host its second annual Dessert Dash fundraiser on March 7, complete with choir performances and an interactive bidding war on tasty desserts. The sweet event will support the choir that serves Anderson and the wider Madison County area with its music programs for young people ages 18 months-18 years old.

"Choir is truly a respite for some of these children each week. As director of the Anderson Area Youth Chorale, I get the pleasure of seeing these singers grow in not only their musicianship but grow into themselves as well," shares Amy Hughley, Associate Artistic Director of the Indianapolis Children's Choir, of which the AACC is an affiliate.

The AACC depends upon donations and contributions for approximately 50% per singer for operating expenses, making fundraisers like this one a must to keep the program running. The choir is counting on bakeries and restaurants for donations and is pleased to feature some of Madison County's own local establishments.

"The idea is to really get the attendees entertained. All of our choirs will be performing, and each table will have the chance to outbid each other on these fabulous, donated desserts and hustle up to the dessert table to pick the one they want," explains Hughley, "Our older singers will be involved with volunteering as well, which makes for a great life experience for them in addition to the music."
