Indianapolis Children's Choir to Host Day of Song with Guest Clinician

January 21, 2026

FOR IMMEDIATE RELEASE

INDIANAPOLIS - - The Indianapolis Children's Choir (ICC) is hosting an entertaining, exploratory, economical [Day of Song](#) for children from preschool through 8th grade on February 21, 2026 at the ICC Performing Arts Center. This music-filled event introduces kids to new musical skills appropriate to their ages, and older children will also work with a guest clinician and accomplished choral conductor, Roger David, known for his unique and upbeat teaching techniques.

"The goal of this short daytime program is to really open the ICC up to the Indy area community on a level that's comfortable for everyone," explains Joshua Pedde, Executive Artistic Director of the ICC. "It's on a weekend, it's low-cost, and it'll be highly engaging for participants. Our directors pack a lot of music, knowledge, and fun in to maximize each child's time with us."

The ICC has hosted three other successful Days of Song in their 40th Anniversary Season, and this will be the final opportunity to take part in one this semester. The focus remains the same – to bring more song to more kids in the area. Music programming will run at various times, based upon age groups, between 9:00 am and 4:00 pm, and families must pre-register.

Cost ranges from \$0-25 and includes instruction, music, materials, a public open house, and a demonstration for family members. IPS students and Access Pass holders can [register for free](#) by calling the ICC offices to register at 317-940-9640 or by emailing lsouthard@icchoir.org with proof of IPS or Access Pass enrollment.
